

TSBPME Case No. 07-173**IN THE MATTER OF
GARY L. CRAMER, D.P.M.**§
§
§
§
§**BEFORE THE TEXAS STATE
BOARD OF PODIATRIC
MEDICAL EXAMINERS****SITTING IN AUSTIN,****LICENSE No. 0554****TRAVIS COUNTY, TEXAS****AGREED ORDER**

BE IT REMEMBERED that on the date approved and entered below came to be considered the allegations against Gary L. Cramer, DPM. By letter dated June 12, 2007 the staff of the Texas State Board of Podiatric Medical Examiners (the "Board") gave preliminary notice to Dr. Cramer of its intent to investigate complaints, concerns or reports filed against him. Dr. Cramer was duly notified of the allegations against him and was given the opportunity to present information in rebuttal and to show compliance with the law. Dr. Cramer has cooperated with the staff of the Board.

By his signature on this Order, and upon acceptance and entry of this Order by the Board, Dr. Cramer does hereby waive his right to an administrative hearing before the State Office of Administrative Hearings, and judicial review of this Order. Dr. Cramer understands that he has the option, before signing this Agreed Order, to participate in a contested case hearing under the *Administrative Procedure Act*.

The Board and Dr. Cramer, in order to avoid the expense, delay and uncertainty of a hearing, have agreed to the entry of an order dispensing with the need for further action in this matter. Dr. Cramer agrees to this Order for the purpose of resolving this proceeding. The Board makes the following Findings of Fact and Conclusions of Law and enters this order:

FINDINGS OF FACT

1. Dr. Cramer is licensed as a podiatric physician in the State of Texas (License Number 0554) to practice podiatric medicine and is therefore subject to the jurisdiction of the Board, the Podiatric Medical Practice Act of Texas and the rules of the Board.
2. Complaints were filed against Dr. Cramer, and he was provided with notice of the complaints and with an opportunity to respond to the complaints; to present information to show compliance with the law.
3. Dr. Cramer, as a podiatrist licensed in the State of Texas, must comply with the provisions of the Podiatric Medical Practice Act of Texas, the Board rules and Board orders.
4. The Board conducted random Continuing Medical Education (CME) audits for

- the November 1, 2004 - October 31, 2006 period.
5. Dr. Cramer was randomly selected for a CME audit.
 6. Dr. Cramer acknowledged the "Required CME Affirmation" (October 19, 2006) on the annual license renewal form indicating that his "CME's are not due until next year." Dr. Cramer's CME hours in fact were due by October 31, 2006. Thirty (30) hours of approved CME are required by Board Rule to renew a license to practice podiatric medicine in Texas.
 7. Dr. Cramer failed to obtain the requisite 30 CME hours for the November 1, 2004 - October 31, 2006 audit period.
 8. After review of all CME certificates, Dr. Cramer was deemed to be deficient 14.5 hours.

CONCLUSIONS OF LAW

1. Dr. Cramer is required to follow the provisions of the podiatric medical practice act, Texas Occup. Code, §202.001, et. seq., and the associated rules of the Board, 22 Tex. Admin. Code § 371.1, et. seq..
2. Tex. Occup. Code §202.501(a) provides that, "the Board shall revoke or suspend a license; place on probation a person whose license has been suspended, or reprimand a license holder for violating the law regulating the practice of podiatry or a rule adopted by the board."
3. Tex. Occup. Code §202.551 provides that, "the Board may impose an administrative penalty against a person licensed or regulated under this chapter who violates this chapter or a rule or order adopted under this chapter."
4. 22 Tex. Admin. Code §376.3(a) provides that, "any podiatric physician who violates any provision of these rules, or any provision of the Act shall be at the discretion of the Board subject to the following penalties: cancellation, suspension, revocation, or probated cancellation, revocation, or suspension of the license to practice podiatric medicine."
5. The Findings Of Fact numbers 1 through 8 establish that Dr. Cramer violated:
(a) 22 Tex. Admin. Code §378.1(a), which provides in part: Each person licensed to practice podiatric medicine in the State of Texas is required to have 30 hours of continuing education every two years for the renewal of the license to practice podiatric medicine. Two hours of the required 30 hours of annual continuing education (CME) may be a course, class, seminar, or workshop in Ethics. It shall be the responsibility of the podiatric physician to ensure that all CME hours being claimed to satisfy the 30 hour bi-annual requirement meet the standards for CME as set by the Board.
(b) 22 Tex. Admin. Code §378.1(h) which provides: These hours of continuing education must be obtained in the 24-month period immediately preceding the year for which the license was issued. The two-year period will begin on November 1 and end on October 31 two years later. The year in which the 30-hour credit requirement must be completed after the original license is issued is every odd-numbered year if the original license was issued in an odd-numbered year and is every even-numbered year if the original license was issued in an even-numbered year. A licensee who completes more than the required 30 hours

during the preceding CME period may carry forward a maximum of 10 hours for the next CME period. *(Original Audit dates of September 1 through August 31 were changed to November 1 through October 31 to coincide with the renewal cycle. This Change was effective November 5, 2003.)*

(c) 22 Tex. Admin. Code §378.1(k) provides: If the licensee does not comply with the request for CME documentation within 30 days of receipt of the letter, or if the licensee is unable to provide proof of the hours claimed on the annual renewal form, the licensee will be investigated by the Board. If the investigation reveals that the requirement was not met, the licensee may be disciplined. The penalty for non-compliance with the bi-annual CME requirement shall be a letter of reprimand and/or an administrative penalty per violation up to the maximum allowed by law.
